

TOKYO PACK 2026

Mitsubishi Chemical Corporation, together with Japan Polyethylene Corporation and Japan Polypropylene Corporation, will exhibit at **TOKYO PACK 2026**, which will be held at Tokyo Big Sight from **October 14 (Wed) to October 16 (Fri), 2026**.

Dates: October 14 (Wed) to October 16 (Fri), 2026, 10:00-17:00

Venue: Tokyo Big Sight, East Halls 1-3, 7 & 8

Booth: East Hall 2 (Booth No. 2G03)

Official Website: [TOKYO PACK 2026](#)

Main Exhibits

Our group will showcase products and solutions under four key themes:

1. Monomaterial & Recycling
2. High-Performance Barrier Solution & Packaging
3. Biomass & GHG Reduction
4. PFAS Alternatives

For details on our exhibits and booth information, please visit the [TOKYO PACK 2026 Mitsubishi Chemical Exhibitor Page](#).

Regarding SoarnoL™ (ethylene vinyl alcohol copolymer, EVOH), we will showcase the following:

- Recycling Solutions for Post-Consumer Food Containers
- Partially Bio-based SoarnoL™ (under development)
- GHG Reduction Contributions Through Food Packaging Materials Utilizing SoarnoL™
- Oriented Films Suitable for Mechanical Recycling
- Quality Preservation Solutions for Frozen Foods (Barrier Packaging × Food Additive Solutions)
- EVOH Solution, SoarnoL™ 16DX

We look forward to welcoming you to our booth.

Visitor Registration

By registering in advance, you can enjoy free and smooth entry to the exhibition.
